Some of the events will be including temporary road closures to maintain safety. Administration is still working through final details with the organizers as part of the regular Park Use Permit. There will more granular details and timelines available directly from the organizers' websites, social media, and / or posters as the event draw near.

The Curling Club has also submitted their Special Occasion Licence application for the operation of the Beer Gardens at Nimpkish Park being coordinated together with the Chamber of Commerce for the same day.

The Ucona/Marling/Sinclair Fields will host The Gold River Days Slo-Pitch Tournament, previously approved by council, which will take place between August 23-25, 2024, with the Marling Fieldhouse Concession operating during these dates, as well.
